From the Pastor's Pen

Let's learn and GROW!

Growth is a normal part of every kind of life. Everything either keeps growing or it dies! That's true in our Christian walk also. How are you doing? Are you growing in your relationship to Christ? Are you growing in your ability to share your faith? Are you praying for the spiritual growth of all in the church? We all need to be concerned about each other and our spiritual growth.

The scripture admonishes us to be able to defend our faith. (1 Peter 3:15). In light of how the world continually works at destroying our faith, we need to be all the more diligent to learn how to defend our faith. The good news is that in our age there are so many books, videos, evidences of all kinds which can help us solidify our faith in God, in Christ and in the truth of the Bible. We need to know those evidences and help our youth know why we trust the Word of God.

From the Pastor's Pen continued....

The pastor and elders have been talking and praying about holding a special faith-building weekend sometime this fall. We ask you to be in prayer with us for this special meeting. In the mean time, I would like to encourage every one of you to tune in to TBN (Trinity Broadcasting Network) on Friday evenings at 5:30 and watch "Creation in the Twenty-First Century." The host, David Rives, always has very interesting guests who will blow your mind with the wonderful evidences God has given us concerning his glorious creation. What a mighty God we serve! Let's learn and grow together!

YOUTH GROUP LEADER NEEDED

Here's a neat statement for you. "If you are not dead you are not done." However there are times when you may need a break. I'm talking about Bev Jarvis, who has worked in one way or another with our Church family youth for over 45 years. Bev would like to take a break from the Wednesday night youth group consisting of 5th through 8th grade youth. There are about 8 to 11 who come.

Would you please pray and consider working for one hour on Wednesday night with our young people?

We can provide materials and helps for you. And MEN, you are not excluded. Perhaps a couple or two couples could work with these middle school kids this fall. Everyone, please give this some thought and prayer. The need is real! The rewards are great! God needs you. The church needs you. The youth need you!

I'll be waiting to hear from willing workers.

June Memory Verse

⁴ Delight yourself in the LORD;
And He will give you the
desires of your heart.

⁵ Commit your way to the
LORD, Trust also in Him, and
He will do it.

Psalm 37:4-5
New American Standard

Who do you really work for?

Work willingly at whatever you do, as though you were working for the Lord rather than for people. Remember that the Lord will give you an inheritance as your reward, and that the Master you are serving is Christ” (Colossians 3:23-24, NLT).

It is never easy working with people in any context. It should be better in the Church because we are to love one another and respect on another. It really helps if we keep in mind who we are working for. The Lord is the point of all we do, the scripture say willingly work for the Lord.

Yes it is summer and all kinds of activities are at hand. Sports, the lake, vacations etc. Please remember the Church family still needs your prayers and support during these very busy months. Have a great time as you engage in summer activities, but remember you are working, and playing for the Lord. Be alert to the nudging of the Holy

Spirit even on vacation, there may be someone you can minister to, encourage, or pray for.

Take one of our bulletins with you as you travel and pray for all those listed. We don't have to know all the details of their lives, just pray for them. They would not be listed if they did not have some special issues in life.

Attend a Church in the place where you vacation. If you find something that we here at FCC could do better let us know. Bring back a bulletin about your experience.

Have a great summer and reread Colossians 3:23-24.

Love ya
